PUP	UI.
CHS	(overlap)He....
BLUE	UI time in the Feds he's established a good relationship with all the <i>vatos</i> from the <i>Eme</i> to <i>Califas</i> .
CHS	Oh, serio?
PUP	Yeah. All the <i>Surenos</i> . They talk real good about him. Him and Wacky.
CHS	Yeah well Chris was telling me about, you know how everything was pretty much ran down there and all that.
PUP	Yeah.
CHS	Um, between us and the <i>Eme</i> but,
PUP	We're all good.
CHS	That's why I said, while you were down there I figured you could get some fucking connections and we can fuckin start putting it together.
PUP	(overlap) UI related to the ADX. I was just there in the USP shoe program at the ADX range.
CHS	(overlap) Well that vato
PUP	UI recommended <i>pero</i> , they ended up not sending me but they don't have no (stutters) they don't have evidence <i>carnal</i> .
CHS	No.
PUP	No evidence to say that I was involved with that <i>pedo</i> .
CHS	They don't. The only thing they don't have fuck an-and the ones that were involved they don't have fuck either on them except the ones that were-are telling on 'em, no?
PUP	Yeah see they're-they're saying they got CI information but, obviously, they-they don't have-they don't have them making sworn statements because, they would-they would've said that.
CHS	Exactly. They don't - hey <i>carnal</i> , you know that, that's why I was telling Blue look, I

	said, "Washa. The-these motherfuckers, they took the letter that Pup sent to them, and they, took a little piece here and a little piece there. I told them one or two words can change a whole statement.
PUP	Yeah.
CHS	You know what I mean? From what Pup said, and then they-they get on your shit and they take out one or two words and (stutters) and it says "Oh yeah, if I don't get outta fuckin' level six, uh someone's gonna die." You know what I mean?
PUP	Yeah.
CHS	And I told Pup, I told uh-I told Blue, I said, "(stutters) you already know, they're just trying to fuckin' make the big homie look bad dog." And he said, "Yeah I already know too, it's all good", but uh he just wanted to let me know, you know what I'm sayin'?
PUP	Yeah.
CHS	And cause I had told-cause the reason why I brought it up is cause when you wrote me that letter and you told me uh,
PUP	What they're doing is they're trying to wipe their ass with me.
CHS	Exactly. That's what I'm saying. When you wrote me that letter and you told me, um, to take care of it and you told me take care of that and make sure that that shits taken all out of context and everything,
PUP	Yeah.
CHS	And you told me to tell Robert to shut his mouth you know what I'm sayin?
PUP	Yeah.
CHS	And I did that no? I told fuckin' Blue, and I told him "Hey that shits just taken outta context carnal. You can't use what STIU says on a fuckin', on a, on a summary dog. They say whatever they wanna say." And then when

	you go to trial watch they'll say, "Oh yeah well we made-we made a mistake. We forgot to put this word or that word."
PUP	Yeah.
CHS	But, na them <i>carnals</i> didn't believe that shit dog. Everybody right here <i>carnal</i> shhhh, man, ay me, Shadow, Spider, Blue, all the <i>carnals</i> right here dog, fuckin' hoping you were comin' back dog, so we can fuckin' get it crackin' na I mean?
PUP	Hell yeah.
CHS	Straight up ay, it's I mean, that's what BB and all them vatos, the ones that had all the paperwork on Javier before you left, this last time when you came back over here when we came over here they all had the paperwork, nothing happened. When they got the paperwork over there they fuckin' took care of business and those vatos were trying to stop it.
PUP	Oh they were trying to stop it?
CHS	Fuck yeah! BB and Cyclone and all them, they didn't want-chh. That's why they kept it quiet when-when the paperwork got there, they fuckin' handled business, they didn't even tell green pod. But, Lazy, Lazy's been fucking up a lot <i>carnal</i> . They put paperwork (stutters) Blue took paperwork down there gave it to Lazy, Lazy get it to, to Juanito on-on uh, on Con-Conrad or somebody no? For, cause they had UI fuckin' rapists or something. Um, anyways they put the paperwork like that, um, Juanito flushed it, right? He flushed it, they didn't do nothing, they didn't want no one else to see it so he flushes the paperwork, and he tells em[phonetic], "Well Lazy told me to fuckin' flush the paperwork." Um, Blue hit up Lazy, and he goes, " <i>Eee carnal</i> , I know I fucked up. I shouldn't of told him to flush it", and, and all this and that dog. But yeah he's been

	fucking up ay. They wanna get him, they wanna get Alex, and, they wanna get BB too no? But BB's down there acting like a fucking <i>jefe</i> dog. You already know how he is.
PUP	Oh BB's already, that's gonna be taken care of.
CHS	Yeah BB's <i>chafa</i> dog. He....
PUP	UI taken care of ay. They already, they already shot word to me to say they were gonna go ahead and do it.
CHS	Yeah that's what I'm saying but uh, and Blue was like, Blue's uh, he said, "I'm behind Baby G." And I said, "You know what <i>carnal</i> ? I'm behind Pup dog. Uh Pup's our state, that's my big homie, I ain't listenin' to these motherfuckers dog, cause these motherfuckers ain't done shit." And I said, "And matter of fact, I know for a fact that fucking Pup, told fucking Baby G to handle business before, and he didn't fucking do it so that should tell you where he's at, know what I mean?"
PUP	Yeah.
CHS	E-If you (stutters) if you tell me to do something <i>carnal</i> Ima[phonetic] handle it. It ain't-nothing gonna get in the way of it, know what I'm sayin? Ain't no BB, ain't no Stoner, ain't nobody gonna get in the way, (stutters) like with that shit with Tito and them know what I mean?
PUP	Yeah.
CHS	Fuckers turned in shanks whatever the fuck they did, I don't know what the fuck, but I said, "Baby G, I don't know if Baby G got fucked, and uh, if that's the case, shit you know what Pup says it's down like that, then I-I'm down with it. Whatever Pup says, I don't care he's outta state but,"
PUP	They know, they know what time it is over there now. (stutter) They're just waiting to

	come off of lockdown. And I told em[phonetic]to fuckin' make sure Reuben gets outta there right? I said make sure fucking Reuben gets dealt with. I told em[phonetic], don't, you don't have to kill him,
CHS	(overlap) Just beat his ass.
PUP	UI fuckin' get smashed dog.
CHS	Just beat his ass.
PUP	Yeah, beat his ass, for doing that fucked up shit. UI trying to run shit over there.
CHS	No. Fuck no.
PUP	UI BB <i>tambien</i> right? UI
CHS	(overlap)BB's a coward.
PUP	Taken care of, then handle BB.
CHS	He's a-he's a coward ay. He's a fuckin' chump <i>carnal</i> .
PUP	BB's been doing some fucked up things. He was having his brother, steal, he was having brothers on all that satanic bullshit, and then, when all that shit he pulled when I was there no? They were doing all that. And then now that I was-now that I was-th-that I left over here, I heard, that he tried to stop that too.
CHS	Yeah. That's why I'm sayin' that's what he did. He did! He tried to stop it. <i>Carnal</i> , you and I both know that he-he had the paperwork the whole time cause-cause uh fuckin' uh, uh Jesse Sosa sent it to, uh Crunk. Crunk-Crunk gave it to fuckin', um, dumbass fucking BB and BB didn't show it to nobody.
PUP	So, what about Sniper?
CHS	Eh, Sniper's in Arizona. D-d-you didn't see him?
PUP	No.
CHS	Well <i>es que</i> he got caught up in Arizona but he's over there but, from-from what UI told me when I went to the county, is that, Sniper was working with the fucking Feds no?
PUP	UI there's something funny about Sniper

	right?
CHS	He was working with the Feds on the streets. But, I mean, we don't know like I said <i>carnal</i> this group right here, we pretty much been together like Shadow, me Shadow, we-we already been telling everybody like, "Ay, we're behind Pup <i>carnal</i> it don't matter if he's outta state or not dog, that's the homie right there. We gonna do whatever he wants us to do and that's all there is to it so,
PUP	Yeah.
CHS	Ain't nobody gon'[phonetic] tell us nothing." Me and Shadow been on that shit. Baby Rob was on that shit too <i>carnal</i> . He's all, cause when he wrote you that letter he was like, "Chh, I gave Pup my word right there on the <i>weela</i> , Ima fuckin' take care of whatever he needs taken care of no?"
PUP	Baby Rob's always been -- he was my second in command at the main a long time ago right?
CHS	Yeah, well he told me he said, "The only one", he said, he told me, "Listen, Crazo. The only one, that I'll ever listen to that can never tell me what the fuck to do from here on out is Pup and that's it." And he goes, "Ima write the <i>carnal</i> right now, and Ima let him know that I-that whatever he wants me to do down here, that we're gonna enforce whatever he wants." And he wrote you that <i>weela</i> .
PUP	That's because Baby Rob, Baby Rob seen how I do it now. UI, when there's vatos that are threats to us, he seen how I operated out there <i>carnal</i> . I made sure all of us were safe. I made sure we had fierros. I made sure, that no brothers were fighting over the brujas, that we fuckin' had it all established, UI down there at the main no?
CHS	Yup.
PUP	And I made him my second in command. And,

	then that <i>pedo</i> happened with the-with the white boy no? They locked me down and sent me to Nevada.
CHS	And then, yeah and then fuckin' sucked down there -- that's what I'm sayin' you've been outta state but this time, I'm not, hey <i>carnal</i> , I mean, (stutter) they built all these <i>chafas</i> , programs but, there's a positive to a negative. If you look at the negatives you'll find the positive and to me the positive was, they-they're helping us weave out, the weak ones that (stutters) we don't need anyways.
PUP	Yes, yes. UI
CHS	(overlap) So,
PUP	As a matter of fact that's what's really going on right?
CHS	We're capitalizing.
PUP	W-we got (stutters) the brothers have not even been not even a whole two years yet, and already denouncing and doing all this crazy shit right.
CHS	Fuck, exactly. So,
PUP	So this is a program, and this is what it is. We could buck up against the whole program, and say, "Fuck you and you're fucking program, we're gonna force you to let us out." And that, that, that'll take some time right? That could take up to five years. Through the courts and all that.
CHS	But see that's the thing, is-is from what we understand and what they've, been telling us as far as the program, is, they're supposed to let us back to the level three's.
PUP	Ok now, now but the way that their-their process is, making us do all these UI or-or essays and all this and that, as long as it doesn't jeopardize, amongst ourselves, jeopardize the brothers uh uh, integrity and all that know what I'm sayin'?

CHS	(stutter) Right.
PUP	As long as it doesn't do all that, then we should be good <i>carnal</i> . We can do the program <i>si me entiende?</i>
CHS	Hey an-and that's what I say, we-we can do the program, and um, get the fuck out and hit the level threes and be, and if worse comes to worse <i>carnal</i> , let's say if-if these-if the Feds really did come hit us ay, it's time for us just to get, organized and be together and not be fighting. Cause if we go to a situation like that dog, wh-those fuckers will wipe us out.
PUP	Exactly.
CHS	The [chuckles] that ain't no game over there.
PUP	But see now, now-now the same thing that goes on here, has already happened with older ranflas. This-w-this is new to us, but it-it's been going on with over the, the <i>vatos</i> from Texas and the <i>vatos</i> from <i>Califas</i> right?
CHS	The Syndicate, the Texas Syndicate?
PUP	Texas Syndicate, Texas <i>Eme</i> , (stutter) the Aztecas - all them have been going through this right? They've been through this, especially the TS. Now, UI now <i>Califas</i> , they been going through this for years too. They locked em[phonetic] all down years ago. I told em[phonetic] they were never getting out of fucking the bay, unless they denounced the UI. And a lot of em[phonetic] did. They started this thing called sensitive UI in two thousand six. Fucking fourteen hundred, UI <i>vatos</i> already denounced and UI more and so, they're having their little issues, <i>si me entiende?</i>
CHS	Yup.
PUP	Where-where you know, UI told me about these <i>vatos</i> , just hang strong, just fucking do the program here at the bay, and we'll go on to a fucking level four, and everything will be

	<i>firme</i> . But a lot of these <i>vatos</i> , the <i>Surenos</i> and all them, (stutters) the Norte - they started fucking just denouncing right away cause they didn't like the living conditions and they wanted to be in a yard where they had more privileges. So they went to UI yard. They just fucked themselves up for life. That's all they did.
CHS	It's the sa-yeah yeah that's what I'm saying it's the same thing here these <i>vatos</i> couldn't call their <i>hynas</i> , and they couldn't get their little visits, so they go to this fuckin program,
PUP	Yeah and they said that later on the news, that the sensitive needs or all these things they went through, these-these <i>vatos</i> that dropped out and denounced and all that cause they couldn't handle the fucking, the-the hardship, in the bay, they-they turn on the news that they're-they're treated just like fucking uh, child molesters and pr-protective custody inmates now.
CHS	That's what they are.
PUP	Yeah.
CHS	Hey! An-and the thing is, <i>washa</i> , these <i>vatos</i> Cyclone and Rabbit and Whiskers and all these <i>vatos carnal</i> , they're in the program, but <i>washa</i> , they're over there making their own gangs now. They already started making gangs over there. So, how are you gonna go to a fucking program and use -- they got a gang now it's called fucking uh, <i>Nuevo</i> something, they took out the Mexico, no it's <i>New</i> something. Whatever, but, <i>chafa</i> . Cyclone's the <i>jefe</i> over there.
PUP	<i>Serio?</i>
CHS	Chh. One of - Ace went to the pod for a minute, and Cyclone told him, "Hey bro, everybody in this pod is fuckin solid." [starts laughing]

PUP	Hey! When he started that <i>pedo</i> , him Rabbit (stutters)UI in other words, they're no longer part of any of it.
CHS	No!
PUP	So then, they started their own thing, are-are they, are they mingling the vatos from the level three?
CHS	They're, they're mingling - yeah! When they get to - this how that program works, look, they go, they denounce, they go to the program, from the program they stay here at the north for two or three months and they do their little program in whatever so they're trusted, and then, a-a-actually prolly[phonetic] til they give enough information to where they trust em[phonetic], and, then they take em[phonetic] from here, to Clayton and then Clayton, that's when it's like a level three but they're still amongst each other, and then, they reintegrate them back into the regular <i>lineas</i> .
PUP	Ohh.
CHS	Playboy, Playboy, um Wino, uh, who else? They're already back ay. They're already in the ones locked down. I don't know,
PUP	(overlap) Locked down?
CHS	Yeah I don't know-I don't kn-I mean I don't know what they did or if they didn't like the program.
PUP	So they're starting their own little,
CHS	UI
PUP	Starting their own little <i>pedo</i> , in that program, and-and-and the STIU has already heard of it?
CHS	Yup!
PUP	And they still let them (stutter) stay out there?
CHS	They-they-they lock down the ones that they lock do - member Rodriguez? The little, the <i>mojao</i> ?

PUP	Yeah.
CHS	He hit a <i>jura</i> over there in-in uh, Clayton. He hit a <i>jura</i> so he's back over here. He was in W pod when we left no?
PUP	Did the brothers talk to him?
CHS	[snickers] Fuck no. Nobody ay. (stutters) There's a pod over there <i>carnal</i> it's just a bunch of - you got Marijuano, Travieso, uh
PUP	UI.
CHS	<i>Loco</i> , Rodriguez, Plazz, um. There's just a pod that you know like a-like a-a bunch of <i>vatos</i> with question marks on them you know what I mean?
PUP	Yeah.
CHS	And that's how that pod is, it's weird ay. So, we don't know if they're gonna do with those <i>vatos</i> they brought us over here, and this is more or less the predator program so, I'm thinking all of us right here on the tier, we're gonna come out together, and uh, Spider and them will come up. Ernest, Spider, Ace, and Blue will come up, um u-upstairs whenever they hit the-the proper level no?
PUP	Yeah.
CHS	And, shit, this is what is it <i>carnal</i> . Shit I'm just happy to see your ass, shit.
PUP	And Rudy Munoz and,
CHS	Rudy-Rudy Munoz he doesn't know what they do. The other big Rudy, um, they say he's going back to fucking, Cruces but, we don't know-we don't know what-what-what they're - well he's, um, (stutters) we think, cause that's where they got the weapons from no?
PUP	Yeah.
CHS	His-his fuckin walker and shit, so, we think that someone, either dropped kites and that's why he's here in the first place or they're trying to send him to the SNM program. It's (stutter) the SNM or some shit (stutters) it's uh SMU.

PUP	Yeah.
CHS	Its SMU program and it's like the predator program but a little bit different no?
PUP	Alright, who-who's their neighbor?
CHS	Shadow.
PUP	Oh really?
CHS	Yeah, really.
PUP	Ok.
CHS	It's you, me, Shadow, Rudy Munoz, Red, um, the other Rudy, and then upstairs it's, Blue, Ernest, Ace, Spider, and a couple other neutral vatos no?
PUP	Oh ok.
CHS	That's it, that's (stutters) our pod no? But like I said <i>carnal</i> , they just moved us over here, and, (stutters) Tomas Clark said that you-that you were on your way over here but we didn't believe him no? We were just like yeah, yeah cause we've been hearing you guys are gonna come back forever. But, we figured they brought you they'll bring Dan Dan no?
PUP	Na, they're not gonna bring Dan Dan. They're not gonna bring Archie. They're state inmates. Over there (stutters) and UI and Arizona. They're state. They're not Fed.
CHS	Well you are too.

04 PUP: No.
05 CHS: Well es que he got caught up in Arizona but he's over
06 there but, from-from what (UI) told me when I went to the
07 county, is that, Sniper was working with the fucking Feds no?
08 PUP: (UI) there's something funny about Sniper right?
09 CHS: He was working with the Feds on the streets. But, I
10 mean, we don't know like I said carnal this group right here, we
11 pretty much been together like Shadow, me Shadow, we-we already
12 been telling everybody like, "Ay, we're behind Pup carnal it
13 don't matter if he's outta state or not dog, that's the homie
14 right there. We gonna do whatever he wants us to do and that's
15 all there is to it so,
16 PUP: Yeah.
17 CHS: Ain't nobody gon'[phonetic] tell us nothing." Me and Shadow
18 been on that shit. Baby Rob was on that shit too carnal. He's all,
19 cause when he wrote you that letter he was like, "Chh, I gave
20 Pup my word right there on the weela, Ima fuckin' take care of
21 whatever he needs taken care of no?"
22 PUP: Baby Rob's always been -- he was my second in command at
23 the main a long time ago right?
24 CHS: Yeah, well he told me he said, "The only one", he said, he told
25 me, "Listen, Crazo. The only one, that I'll ever listen to that
00007:01 can never tell me what the fuck to do from here on out is Pup
02 and that's it." And he goes, "Ima write the carnal right now,
03 and Ima let him know that I-that whatever he wants me to do down
04 here, that we're gonna enforce whatever he wants." And he wrote
05 you that weela.
06 PUP: That's because Baby Rob, Baby Rob seen how I do it now. (UI),
07 when there's vatos that are threats to us, he seen how I operated
08 out there carnal. I made sure all of us were safe. I made sure
09 we had fierros. I made sure, that no brothers were fighting
10 over the brujas, that we fuckin' had it all established, (UI)
11 down there at the main no?
12 CHS: Yup.

13 PUP: And I made him my second in command. And, then that pedo
14 happened with the-with the white boy no? They locked me down and
15 sent me to Nevada.
16 CHS: And then, yeah and then fuckin' sucked down there -- that's
17 what I'm sayin' you've been outta state but this time, I'm not,
18 hey carnal, I mean, (stutter) they built all these chafas, programs
19 but, there's a positive to a negative. If you look at the negatives
20 you'll find the positive and to me the positive was, they-they're
21 helping us weave out, the weak ones that (stutters) we don't need anyways.

22 PUP: Yes, yes. (UI)

23 CHS: (overlap)So,

24 PUP: As a matter of fact that's what's really going on right?

25 CHS: We're capitalizing.

00008:01 PUP: W-we got (stutters) the brothers have not even been not
02 even a whole two years yet, and already denouncing and doing all
03 this crazy shit right.

04 CHS: Fuck, exactly. So,

05 PUP: So this is a program, and this is what it is. We could buck
06 up against the whole program, and say, "Fuck you and you're fucking
07 program, we're gonna force you to let us out." And that, that,
08 that'll take some time right? That could take up to five years.
09 Through the courts and all that.

10 CHS: But see that's the thing, is-is from what we understand and
11 what they've, been telling us as far as the program, is, they're
12 supposed to let us back to the level three's.

13 PUP: Ok now, now but the way that their-their process is, making
14 us do all these (UI) or- or essays and all this and that, as long
15 as it doesn't jeopardize, amongst ourselves, jeopardize the brothers
16 uh uh, integrity and all that know what I'm sayin'?

17 CHS: (stutter) Right.

18 PUP: As long as it doesn't do all that, then we should be good
19 carnal. We can do the program si me entiende?

20 CHS: Hey an-and that's what I say, we-we can do the program, and um,
21 get the fuck out and hit the level threes and be, and if worse
22 comes to worse carnal, let's say if-if these-if the Feds really
23 did come hit us ay, it's time for us just to get, organized and
24 be together and not be fighting. Cause if we go to a situation
25 like that dog, wh-those fuckers will wipe us out.

00009:01 PUP: Exactly.

02 CHS: The [chuckles] that ain't no game over there.

03 PUP: But see now, now-now the same thing that goes on here, has
04 already happened with older ranflas. This-w-this is new to us,
05 but it- it's been going on with over the, the vatos from Texas
06 and the vatos from Califas right?

07 CHS: The Syndicate, the Texas Syndicate?

08 PUP: Texas Syndicate, Texas Eme, (stutter) the Aztecas - all
09 them have been going through this right? They've been through
10 this, especially the TS. Now, (UI) now Califas, they been going
11 through this for years too. They locked em[phonetic] all down
12 years ago. I told em[phonetic] they were never getting out of
13 fucking the bay, unless they denounced the (UI). And a lot
14 of em[phonetic] did. They started this thing called sensitive
15 (UI) in two thousand six. Fucking fourteen hundred, (UI) vatos
16 already denounced and (UI) more and so, they're having their

Exh295 - DISC 6012-6024.Trans of convo CHS & A. Baca.0730.004PL.R.txt

17 little issues, si me entiende?

18 CHS: Yup.

19 PUP: Where-where you know, (UI) told me about these vatos, just
20 hang strong, just fucking do the program here at the bay, and
21 we'll go on to a fucking level four, and everything will be
22 firme. But a lot of these vatos, the Surenos and all them,
23 (stutters) the Norte - they started fucking just denouncing
24 right away cause they didn't like the living conditions and they
25 wanted to be in a yard where they had more privileges. So they
00010:01 went to (UI) yard. They just fucked themselves up for life.

02 That's all they did.

03 CHS: It's the sa-yeah yeah that's what I'm saying it's the same
04 thing here these vatos couldn't call their hynas, and they
05 couldn't get their little visits, so they go to this fuckin
06 program,

07 PUP: Yeah and they said that later on the news, that the
08 sensitive needs or all these things they went through,
09 these-these vatos that dropped out and denounced and
10 all that cause they couldn't handle the fucking, the-the
11 hardship, in the bay, they-they turn on the news that
12 they're-they're treated just like fucking uh, child molesters
13 and pr-protective custody inmates now.

14 CHS: That's what they are.

15 PUP: Yeah.

16 CHS: Hey! An-and the thing is, washa, these vatos Cyclone and
17 Rabbit and Whiskers and all these vatos carnal, they're in the
18 program, but washa, they're over there making their own gangs now.
19 They already started making gangs over there. So, how are you
20 gonna go to a fucking program and use -- they got a gang now
21 it's called fucking uh, Nuevo something, they took out the Mexico,
22 no it's New something. Whatever, but, chafa. Cyclone's the jefe
23 over there.

24 PUP: Serio?

25 CHS: Chh. One of - Ace went to the pod for a minute, and Cyclone
00011:01 told him, "Hey bro, everybody in this pod is fuckin solid."

02 [starts laughing]

03 PUP: Hey! When he started that pedo, him Rabbit (stutters)(UI)
04 in other words, they're no longer part of any of it.

05 CHS: No!

06 PUP: So then, they started their own thing, are- are they, are
07 they mingling the vatos from the level three?

08 CHS: They're, they're mingling - yeah! When they get to - this
09 how that program works, look, they go, they denounce, they go
10 to the program, from the program they stay here at the north
11 for two or three months and they do their little program in
12 whatever so they're trusted, and then, a-a-actually proolly[phonetic]
13 til they give enough information to where they trust em[phonetic],
14 and, then they take em[phonetic] from here, to Clayton and then
15 Clayton, that's when it's like a level three but they're still
16 amongst each other, and then, they reintegrate them back into
17 the regular lineas.

18 PUP: Ohh.

19 CHS: Playboy, Playboy, um Wino, uh, who else? They're already back ay.
20 They're already in the ones locked down. I don't know,

Exh295 - DISC 6012-6024.Trans of convo CHS & A. Baca.0730.004PL.R.txt

21 PUP: (overlap) Locked down?
 22 CHS: Yeah I don't know-I don't kn-I mean I don't know what they did
 23 or if they didn't like the program.
 24 PUP: So they're starting their own little,
 25 CHS: (UI)
 00012:01 PUP: Starting their own little pedo, in that program, and-and-and
 02 the STIU has already heard of it?
 03 CHS: Yup!
 04 PUP: And they still let them (stutter) stay out there?
 05 CHS: They-they-they lock down the ones that they lock do - member
 06 Rodriguez? The little, the mojao?
 07 PUP: Yeah.
 08 CHS: He hit a jura over there in-in uh, Clayton. He hit a jura
 09 so he's back over here. He was in W pod when we left no?
 10 PUP: Did the brothers talk to him?
 11 CHS: [snickers] Fuck no. Nobody ay. (stutters) There's a pod
 12 over there carnal it's just a bunch of - you got Marijuana,
 13 Travieso, uh
 14 PUP: (UI).
 15 CHS: Loco, Rodriguez, Plazz, um. There's just a pod that you know
 16 like a-like a-a bunch of vatos with question marks on them you
 17 know what I mean?
 18 PUP: Yeah.
 19 CHS: And that's how that pod is, it's weird ay. So, we don't know
 20 if they're gonna do with those vatos they brought us over here,
 21 and this is more or less the predator program so, I'm thinking
 22 all of us right here on the tier, we're gonna come out together,
 23 and uh, Spider and them will come up. Ernest, Spider, Ace, and
 24 Blue will come up, um u-upstairs whenever they hit the-the proper
 25 level no?
 00013:01 PUP: Yeah.
 02 CHS: And, shit, this is what is it carnal. Shit I'm just happy
 03 to see your ass, shit.
